

CATV Coaxial – Trunk Cable

Applications

- Applied typically for CATV HFC network

Standards Complied

- ANSI / SCTE 15
- ANSI / SCTE 74
- GR-1398-CORE and GR-1399-CORE

Features and Benefits

- Excellent data transmitting performance
- Durable performance under different weather conditions
- Customization on request

Technical Specification (Typical Type)

Series	Inner Conductor	Outer Conductor	Max. Return Loss (5~1000Mhz)	Installation
FH500	CCA	Seamless Al Tube	≥ 26	Aerial / Riser / Conduit
FH540	CCA	Welded Al Tube	≥ 26	Aerial / Riser / Conduit
FH565	CCA	Seamless Al Tube	≥ 26	Aerial / Riser / Conduit
FH625	CCA	Seamless Al Tube	≥ 26	Aerial / Riser / Conduit
FH750	CCA	Seamless Al Tube	≥ 26	Aerial / Riser / Conduit

- Products can be customized, included but not limited to the above
